Rules and conditions to participate:

1. Dress code: classy and elegant.
2. No personal photos or videos are allowed. For this reason, we are making official, quality photos and videos that can be shared. Only accredited photographers will be allowed to take photos or videos.
3. Sharing is caring! When we publish our photos and videos, we appreciate when people and guests featured in our photos show their gratitude by liking, commenting and sharing our official album (or individual photos) instead of copying them and creating their own albums with our photos. This is very time consuming and against the copyright policy.
4. If you do not wish to be photographed, you need to inform us in advance.

We are trying our best to create a friendly, classy, selective and interactive, promotional, multicultural networking platform with a win-win-win effect. If you wish to know more about our concept, please contact: maria@mariapetrak.com
